

NOTICE

The Monthly Permit Report (“Report”) consists of permits printed during the month. The fact that a permit is listed on the Report does not necessarily mean that the permit is valid. A permit is not valid until the appropriate fee has been paid, all requirements for the issuance of the permit have been met and the permit is approved by the Code Enforcement Officer. To be certain that a permit is valid, please contact the Code Enforcement Department.

Permit number	Municipal address	Property ID	Category	Work type	Work target	Applicant	Owner	Issued date
