**PHYSICAL DESCRIPTION:**

Valley Forge Brew Pub Restaurant

This formerly ell-shaped, Mansard roofed house has been highly altered and contains several additions. Because most of its additions are 1 story, the core remains visible. The core is a 2.5 story, stucco building. Like many Mansard roofed houses in the township, it has several dormers on the roof. The dormers found here have curved tops. A terra cotta chimney pot is located on the east side of the house. The core is approximately 30'x30'.

**Classification:** Due to heavily alterations, the resource is Class II.
