Map Revised January 28, 2016

RT 73 & UNION MEETING RD/SCHOOL RD

Widening Skippack Pike, lane configuration changes, and signal expansion to include School Road intersection.

Jolly Rd & Arch Street Rd

Construction of a left turn lane for westbound Jolly Road and construction of a right turn lane for northbound Arch Street Road. Possible intersection realignment at Mermaid Swim Club property.

Walton Rd/Stenton Ave – Realignment of the western leg of Walton Ave should be investigated along with the potential installation of a traffic control signal. The eastern leg of Stenton Ave should be reevaluated as part of the 6-Points project.

Realign the western leg of Stenton Avenue, install a traffic signal if warranted, provide a northbound left-turn lane along Walton Road and channelization of the separate right-turn lane along Stenton Avenue

Realign eastern leg of Stenton Avenue and provide back-to-back left-turn lanes along Walton Road
